

## 902AA

**Hot air blower 10 bar - hard wall. Inner hose from 51 to 102 mm.**

**Technical information:**

**Inner hose:** black EPDM - heat resistant.

**Cover hose:** black EPDM - heat, abrasion and ozone resistant.

**Reinforcement:** high tensile textile cords with embedded steel helix wire.

**Temperature range:** -40°C to +180°C.

**Applications:** hot air connection from volumetric compressor to bulk food/material road tanker. Special light weight and flexible construction.

**Producer:** Alfagomma (Italy)

**Hose length:** see in the table
